Re: Request for Proposal for Professional Auditing Services for the fiscal year ended September 30, 2023-2027.

Grau & Associates (Grau) welcomes the opportunity to respond to Lakeside Community Development District's (the "District") Request for Proposal (RFP), and we look forward to working with you on your audit. We are an energetic and robust team of knowledgeable professionals and are a recognized leader of providing services to Community Development Districts. As one of Florida's few firms to primarily focus on government, we are especially equipped to provide you an effective and efficient audit.

Special district audits are at the core of our practice: **we have a total of 360 clients, 329 or 91% of which are special districts.** We know the specifics of the professional services and work products needed to meet your RFP requirements like no other firm. With this level of experience, we are able to increase efficiency, to provide immediate and continued savings, and to minimize disturbances to client operations.

Why Grau & Associates:

Knowledgeable Audit Team

Grau is proud that the personnel we assign to your audit are some of the most seasoned auditors in the field. Our staff performs governmental engagements year round. When not working on your audit, your team is refining their audit approach for next year's audit. Our engagement partners have decades of experience and take a hands-on approach to our assignments, which all ensures a smoother process for you.

Servicing your Individual Needs

Our clients enjoy personalized service designed to satisfy their unique needs and requirements. Throughout the process of our audit, you will find that we welcome working with you to resolve any issues as swiftly and easily as possible. In addition, due to Grau's very low turnover rate for our industry, you also won't have to worry about retraining your auditors from year to year.

Developing Relationships

We strive to foster mutually beneficial relationships with our clients. We stay in touch year round, updating, collaborating and assisting you in implementing new legislation, rules and standards that affect your organization. We are also available as a sounding board and assist with technical questions.

Maintaining an Impeccable Reputation

We have never been involved in any litigation, proceeding or received any disciplinary action. Additionally, we have never been charged with, or convicted of, a public entity crime of any sort. We are financially stable and have never been involved in any bankruptcy proceedings.

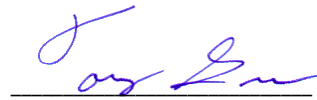

Complying With Standards

Our audit will follow the Auditing Standards of the AICPA, Generally Accepted Government Auditing Standards, issued by the Comptroller General of the United States, and the Rules of the Auditor General of the State of Florida, and any other applicable federal, state and local regulations. We will deliver our reports in accordance with your requirements.

This proposal is a firm and irrevocable offer for 90 days. We certify this proposal is made without previous understanding, agreement or connection either with any previous firms or corporations offering a proposal for the same items. We also certify our proposal is in all respects fair, without outside control, collusion, fraud, or otherwise illegal action, and was prepared in good faith. Only the person(s), company or parties interested in the project as principals are named in the proposal. Grau has no existing or potential conflicts, and anticipates no conflicts during the engagement. Our Federal I.D. number is 20-2067322.

We would be happy to answer any questions or to provide any additional information. We are genuinely excited about the prospect of serving you and establishing a long-term relationship. Please do not hesitate to call or email either of our Partners, Antonio J. Grau, CPA (tgrau@graucpa.com) or Racquel McIntosh, CPA (rmcintosh@graucpa.com) at 561.994.9299. We thank you for considering our firm's qualifications and experience.

Very truly yours,
Grau & Associates

YOUR ENGAGEMENT TEAM

Grau's client-specific engagement team is meticulously organized in order to meet the unique needs of each client. Constant communication within our solution team allows for continuity of staff and audit team.

Grau contracts with an outside group of IT management consultants to assist with matters including, but not limited to; network and database security, internet security and vulnerability testing.

An advisory consultant will be available as a sounding board to advise in those areas where problems are encountered.

The assigned personnel will work closely with the partner and the District to ensure that the financial statements and all other reports are prepared in accordance with professional standards and firm policy. Responsibilities will include planning the audit; communicating with the client and the partners the progress of the audit; and determining that financial statements and all reports issued by the firm are accurate, complete and are prepared in accordance with professional standards and firm policy.

The Engagement Partner will participate extensively during the various stages of the engagement and has direct responsibility for engagement policy, direction, supervision, quality control, security, confidentiality of information of the engagement and communication with client personnel. The engagement partner will also be involved directing the development of the overall audit approach and plan; performing an overriding review of work papers and ascertain client satisfaction.

Specific Audit Approach

Grau & Associates
CERTIFIED PUBLIC ACCOUNTANTS

AUDIT APPROACH

Grau's Understanding of Work Product / Scope of Services:

We recognize the District is an important entity and we are confident our firm is eminently qualified to meet the challenges of this engagement and deliver quality audit services. ***You would be a valued client of our firm and we pledge to commit all firm resources to provide the level and quality of services (as described below) which not only meet the requirements set forth in the RFP but will exceed those expectations.*** Grau & Associates fully understands the scope of professional services and work products requested. Our audit will follow the Auditing Standards of the AICPA, *Generally Accepted Government Auditing Standards*, issued by the Comptroller General of the United States, and the Rules of the Auditor General of the State of Florida and any other applicable Federal, State or Local regulations. **We will deliver our reports in accordance with your requirements.**

Proposed segmentation of the engagement

Our approach to the audit engagement is a risk-based approach which integrates the best of traditional auditing techniques and a total systems concept to enable the team to conduct a more efficient and effective audit. The audit will be conducted in three phases, which are as follows:

Phase I - Preliminary Planning

A thorough understanding of your organization, service objectives and operating environment is essential for the development of an audit plan and for an efficient, cost-effective audit. During this phase, we will meet with appropriate personnel to obtain and document our understanding of your operations and service objectives and, at the same time, give you the opportunity to express your expectations with respect to the services that we will provide. Our work effort will be coordinated so that there will be minimal disruption to your staff.

During this phase we will perform the following activities:

- » Review the regulatory, statutory and compliance requirements. This will include a review of applicable federal and state statutes, resolutions, bond documents, contracts, and other agreements;
- » Read minutes of meetings;
- » Review major sources of information such as budgets, organization charts, procedures, manuals, financial systems, and management information systems;
- » Obtain an understanding of fraud detection and prevention systems;
- » Obtain and document an understanding of internal control, including knowledge about the design of relevant policies, procedures, and records, and whether they have been placed in operation;
- » Assess risk and determine what controls we are to rely upon and what tests we are going to perform and perform test of controls;
- » Develop audit programs to incorporate the consideration of financial statement assertions, specific audit objectives, and appropriate audit procedures to achieve the specified objectives;
- » Discuss and resolve any accounting, auditing and reporting matters which have been identified.

Phase II – Execution of Audit Plan

The audit team will complete a major portion of transaction testing and audit requirements during this phase. The procedures performed during this period will enable us to identify any matter that may impact the completion of our work or require the attention of management. Tasks to be performed in Phase II include, but are not limited to the following:

- » Apply analytical procedures to further assist in the determination of the nature, timing, and extent of auditing procedures used to obtain evidential matter for specific account balances or classes of transactions;
- » Perform tests of account balances and transactions through sampling, vouching, confirmation and other analytical procedures; and
- » Perform tests of compliance.

Phase III - Completion and Delivery

In this phase of the audit, we will complete the tasks related to year-end balances and financial reporting. All reports will be reviewed with management before issuance, and the partners will be available to meet and discuss our report and address any questions. Tasks to be performed in Phase III include, but are not limited to the following:

- » Perform final analytical procedures;
- » Review information and make inquiries for subsequent events; and
- » Meeting with Management to discuss preparation of draft financial statements and any potential findings or recommendations.

You should expect more from your accounting firm than a signature in your annual financial report. Our concept of truly responsive professional service emphasizes taking an active interest in the issues of concern to our clients and serving as an effective resource in dealing with those issues. In following this approach, we not only audit financial information with hindsight but also consider the foresight you apply in managing operations.

Application of this approach in developing our management letter is particularly important given the increasing financial pressures and public scrutiny facing today's public officials. We will prepare the management letter at the completion of our final procedures.

In preparing this management letter, we will initially review any draft comments or recommendations with management. In addition, we will take necessary steps to ensure that matters are communicated to those charged with governance.

In addition to communicating any recommendations, we will also communicate the following, if any:

- » Significant audit adjustments;
- » Significant deficiencies or material weaknesses;
- » Disagreements with management; and
- » Difficulties encountered in performing the audit.

Our findings will contain a statement of condition describing the situation and the area that needs strengthening, what should be corrected and why. Our suggestions will withstand the basic tests of corrective action:

Is the recommendation cost effective?

Is the recommendation the simplest to effectuate in order to correct a problem?

Is the recommendation at the heart of the problem and not just correcting a symptomatic matter?

Is the corrective action taking into account why the deficiency occurred?

To assure full agreement with facts and circumstances, we will fully discuss each item with Management prior to the final exit conference. This policy means there will be no “surprises” in the management letter and fosters a professional, cooperative atmosphere.

Communications

We emphasize a continuous, year-round dialogue between the District and our management team. We regularly communicate through personal telephone calls and electronic mail throughout the audit and on a regular basis.

Our clients have the ability to transmit information to us on our secure client portal with the ability to assign different staff with separate log on and viewing capability. This further facilitates efficiency as all assigned users receive electronic mail notification as soon as new information has been posted into the portal.

Cost of Services

Grau & Associates
CERTIFIED PUBLIC ACCOUNTANTS

Our proposed all-inclusive fees for the financial audit for the fiscal years ended September 30, 2023-2027 are as follows:

Year Ended September 30,		Fee
2023		\$3,600
2024		\$3,700
2025		\$3,800
2026		\$3,900
2027		\$4,000
TOTAL (2023-2027)		<u>\$19,000</u>

The above fees are based on the assumption that the District maintains its current level of operations. Should conditions change or additional Bonds are issued the fees would be adjusted accordingly upon approval from all parties concerned.

ADDITIONAL SERVICES

CONSULTING / MANAGEMENT ADVISORY SERVICES

Grau & Associates also provide a broad range of other management consulting services. Our expertise has been consistently utilized by Governmental and Non-Profit entities throughout Florida. Examples of engagements performed are as follows:

- Accounting systems
- Development of budgets
- Organizational structures
- Financing alternatives
- IT Auditing
- Fixed asset records
- Cost reimbursement
- Indirect cost allocation
- Grant administration and compliance

ARBITRAGE

The federal government has imposed complex rules to restrict the use of tax-exempt financing. Their principal purpose is to eliminate any significant arbitrage incentives in a tax-exempt issue. We have determined the applicability of these requirements and performed the rebate calculations for more than 150 bond issues, including both fixed and variable rate bonds.

Dear District Manager:

Thank you very much for the opportunity to present our professional credentials to provide audit services for Lakeside Community Development District.

Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL has assembled a team of governmental and nonprofit specialists second to none to serve our clients. Our firm has the necessary qualifications and experience to serve as the independent auditors for Lakeside Community Development District. We will provide you with top quality, responsive service.

Experience

Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL is a recognized leader in providing services to governmental and nonprofit agencies throughout Florida. We have been the independent auditors for a number of local governmental agencies and through our experience in performing their audits, we have been able to increase our audit efficiency and; therefore, reduce costs. We have continually passed this cost savings on to our clients and will continue to do so in the future. As a result of our experience and expertise, we have developed an effective and efficient audit approach designed to meet or exceed the performance specifications in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, and the standards for financial and compliance audits. We will conduct the audit in accordance with auditing standards generally accepted in the United States of America; "Government Auditing Standards" issued by the Comptroller General of the United States; the provisions of the Single Audit Act, Subpart F of Title 2 US Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, with minimal disruption to your operations. Our firm has frequent technical updates to keep our personnel informed and up-to-date on all changes that are occurring within the industry.

We also utilize the audit program software of a nationally recognized CPA firm to assure us that we are up to date with all auditing standards and to assist us maintain maximum audit efficiencies.

To facilitate your evaluation of our qualifications and experience, we have arranged this proposal to include a resume of our firm, including our available staff, our extensive prior governmental and nonprofit auditing experience and clients to be contacted.

You need a firm that will provide an efficient, cost-effective, high-quality audit within critical time constraints. You need a firm with the prerequisite governmental and nonprofit experience to perform your audit according to stringent legal and regulatory requirements, a firm that understands the complex nature of community development districts and their unique compliance requirements. You need a firm with recognized governmental and nonprofit specialists within the finance and governmental communities. And, certainly, you need a firm that will provide you with valuable feedback to enhance your current and future operations. Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL is that firm. J. W. Gaines is the person authorized to make representations for the firm.

Thank you again for the opportunity to submit this proposal to Lakeside Community Development District.

Very truly yours,

Berger, Toombs, Elam, Gaines & Frank
Certified Public Accountants PL
Fort Pierce, Florida

PROFILE OF THE PROPOSER

Description and History of Audit Firm

Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL is a Treasure Coast public accounting firm, which qualifies as a small business firm, as established by the Small Business Administration (13 CFR 121.38), with offices in Fort Pierce and Stuart. We are a member of the Florida Institute of Certified Public Accountants and the American Institute of Certified Public Accountants. The firm was formed from the merger of Edwards, Berger, Harris & Company (originated in 1972) and McAlpin, Curtis & Associates (originated in 1949). J. W. Gaines and Associates (originated in 1979) merged with the firm in 2004. Our tremendous growth rate experienced over the last 69 years is directly attributable to the firm's unrelenting dedication to providing the highest quality, responsive professional services attainable to its clients.

We are a member of the Private Companies Practice Section (PCPS) of the American Institute of Certified Public Accountants (AICPA) to assure we meet the highest standards. Membership in this practice section requires that our firm meet more stringent standards than standard AICPA membership. These rigorous requirements include the requirement of a triennial peer review of our firm's auditing and accounting practice and annual Continuing Professional Education (CPE) for all accounting staff (whether CPA or non-CPA). For standard AICPA membership, only a quality review is required and only CPAs must meet CPE requirements.

We are also a member of the Government Audit Quality Center ("the Center") of the American Institute of Certified Public Accountants to assure the quality of our government audits. Membership in the Center, which is voluntary, requires our firm to comply with additional standards to promote the quality of government audits.

We have been extensively involved in serving local government entities with professional accounting, auditing and consulting services throughout the entire 69 year history of our firm. Our substantial experience over the years makes us uniquely qualified to provide accounting, auditing, and consulting services to these clients. We are a recognized leader in providing services to governmental and nonprofit agencies on the Treasure Coast and in Central and South Florida, with extensive experience in auditing community development districts and water control districts. We were the independent auditors of the City of Fort Pierce for over 37 years and currently, we are the independent auditors for St. Lucie County since 2002, and for 34 of the 38 years that the county has been audited by CPA firms. Additionally, we have performed audits of the City of Stuart, the City of Vero Beach, Indian River County and Martin County. We also presently audit over 75 Community Development Districts throughout Florida.

Our firm was founded on the belief that we are better able to respond to our clients needs through education, experience, independence, quality control, and personal service. Our firm's commitment to quality is reflected in our endeavor of professional excellence via continuing education, the use of the latest computer technology, professional membership in PCPS and peer review.

We believe our approach to audit engagements, intelligence and innovation teamed with sound professional judgment enables us to explore new concepts while remaining sensitive to the fundamental need for practical solutions. We take pride in giving you the assurance that the personal assistance you receive comes from years of advanced training, technical experience and financial acumen.

Professional Staff Resources

Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL has a total of 27 professional and administrative staff (including 12 professional staff with extensive experience servicing government entities). The work will be performed out of our Fort Pierce office with a proposed staff of one senior accountant and one or two staff accountants supervised by an audit manager and audit partner. With the exception of the directors of the firm's offices, the professional staff is not specifically assigned to any of our individual offices. The professional and administrative staff resources available to you through Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL are as follows:

	<u>Total</u>
Partners/Directors (CPA's)	5
Principals (CPA)	1
Managers (CPA)	1
Senior/Supervisor Accountants (2 CPA's)	3
Staff Accountants (1 CPA)	7
Computer Specialist	1
Paraprofessional	6
Administrative	<u>4</u>
Total – all personnel	28

Following is a brief description of each employee classification:

Staff Accountant – Staff accountants work directly under the constant supervision of the auditor-in-charge and, are responsible for the various testing of documents, account analysis and any other duties as his/her supervisor believes appropriate. Minimum qualification for a staff accountant is graduation from an accredited university or college with a degree in accounting or equivalent.

Senior Accountant – A senior accountant must possess all the qualifications of the staff accountant, in addition to being able to draft the necessary reports and financial statements, and supervise other staff accountants when necessary.

Managers – A manager must possess the qualifications of the senior accountant, plus be able to work without extensive supervision from the auditor-in-charge. The manager should be able to draft audit reports from start to finish and to supervise the audit team, if necessary.

Principal – A principal is a partner/director in training. He has been a manager for several years and possesses the technical skills to act as the auditor-in-charge. A principal has no financial interest in the firm.

Partner/Director – The director has extensive governmental auditing experience and acts as the auditor-in-charge. Directors have a financial interest in the firm.

Professional Staff Resources (Continued)

Independence – Independence of the public accounting firm, with respect to the audit client, is the foundation from which the public gains its trust in the opinion issued by the public accounting firm at the end of the audit process. This independence must be in appearance as well as in fact. The public must perceive that the accounting firm is independent of the audit entity to ensure that nothing would compromise the opinion issued by the public accounting firm. **Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL** is independent of Lakeside Community Development District, including its elected officials and related parties, at the date of this proposal, as defined by the following rules, regulations, and standards:

AuSection 220 – Statements on Auditing Standards issued by the American Institute of Certified Public Accountants;

ET Sections 101 and 102 – Code of Professional Conduct of the American Institute of Certified Public Accountants;

Chapter 21A-1, Florida Administrative Code;

Section 473.315, Florida Statutes; and,

Government Auditing Standards, issued by the Comptroller General of the United States.

On an annual basis, all members of the firm are required to confirm, in writing, that they have no personal or financial relationships or holding that would impair their independence with regard to the firm's clients.

Independence is a hallmark of our profession. We encourage our staff to use professional judgment in situations where our independence could be impaired or the perception of a conflict of interest might exist. In the governmental sector, public perception is as important as professional standards. Therefore, the utmost care must be exercised by independent auditors in the performance of their duties.

Ability to Furnish the Required Services

As previously noted in the Profile of the Proposer section of this document, our firm has been in existence for over 69 years. We have provided audit services to some clients for over 30 years continually. Our firm is insured against physical loss through commercial insurance and we also carry liability insurance. The majority of our audit documentation is stored electronically, both on our office network and on each employee laptop or computer assigned to each specific job. Our office computer network is backed up on tape, so in the event of a total equipment loss, we can restore all data as soon as replacement equipment is acquired. In addition, our field laptop computers carry the same data and can be used in the event of emergency with virtually no delay in completing the required services.

ADDITIONAL SERVICES PROVIDED

Arbitrage Rebate Services

Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL also provides arbitrage rebate compliance and related services to governmental issuers. The Tax Reform Act of 1986 requires issuers of most tax-exempt obligations to pay (i.e., “rebate”) to the United States government any arbitrage profits. Arbitrage profits are earnings on the investment of bond proceeds and certain other monies in excess of what would have been earned had such monies been invested at a yield equal to the yield on the bonds.

Federal tax law requires that interim rebate calculations and payments are due at the end of every fifth bond year. Final payment is required upon redemption of the bonds. More frequent calculations may be deemed advisable by an issuer’s auditor, trustee or bond counsel or to assure that accurate and current records are available. These more frequent requirements are usually contained in the Arbitrage or Rebate Certificate with respect to the bonds.

Our firm performs a comprehensive rebate analysis and includes the following:

- Verifying that the issue is subject to rebate;
- Calculating the bond yield;
- Identifying, and separately accounting for, all “Gross Proceeds” (as that term is defined in the Code) of the bond issue, including those requiring analysis due to “transferred proceeds” and/or “commingled funds” circumstances;
- Determining what general and/or elective options are available to Gross proceeds of the issue;
- Calculating the issue’s excess investment earning (rebate liability), if any;
- Delivering appropriate documentation to support all calculations;
- Providing an executive summary identifying the methodology employed, major assumptions, conclusions, and any other recommendations for changes in recordkeeping and investment policies;
- Assisting as necessary in the event of an Internal Revenue Service inquiry; and,
- Consulting with issue staff, as necessary, regarding arbitrage related matters.

GOVERNMENTAL AUDITING EXPERIENCE

Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL has been practicing public accounting in Florida for 69 years. Our success over the years has been the result of a strong commitment to providing personalized quality service to our clients.

The current members of our firm have performed audits of over 900 community development districts, and over 1,800 audits of municipalities, counties and other governmental entities such as the City of Fort Pierce and St. Lucie County.

Our firm provides a variety of accounting, auditing, tax litigation support, and consulting services. Some of the professional accounting, auditing and management consulting services that are provided by our firm are listed below:

- Performance of annual financial and compliance audits, including Single Audits of state and federal financial assistance programs, under the provisions of the Single Audit Act, Subpart F of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), with minimal disruptions to your operations;
- Performance of special compliance audits to ascertain compliance with the applicable local, state and federal laws and regulations;
- Issuance of comfort letters and consent letters in conjunction with the issuance of tax-exempt debt obligations, including compiling financial data and interim period financial statement reviews;
- Calculation of estimated and actual federal arbitrage rebates;
- Assistance in compiling historical financial data for first-time and supplemental submissions for GFOA Certificate of Achievement for Excellence in Financial Reporting;
- Preparation of indirect cost allocation systems in accordance with Federal and State regulatory requirements;
- Providing human resource and employee benefit consulting;
- Performance of automation feasibility studies and disaster recovery plans;
- Performance feasibility studies concerning major fixed asset acquisitions and utility plant expansion plans (including electric, water, pollution control, and sanitation utilities); and
- Assistance in litigation, including testimony in civil and criminal court.
- Assist clients who utilize QuickBooks software with their software needs. Our Certified QuickBooks Advisor has undergone extensive training through QuickBooks and has passed several exams to attain this Certification.

Continuing Professional Education

All members of the governmental audit staff of our firm, and audit team members assigned to this engagement, are in compliance with the Continuing Professional Education (CPE) requirements set forth in Government Auditing Standards issued by the Comptroller General of the United States. In addition, our firm is in compliance with the applicable provisions of the Florida Statutes that require CPA's to have met certain CPE requirements prior to proposing on governmental audit engagements.

GOVERNMENTAL AUDITING EXPERIENCE (CONTINUED)

The audit team has extensive experience in performing governmental audits and is exposed to intensive and continuing concentration on these types of audits. Due to the total number of governmental audits our team performs, each member of our governmental staff must understand and be able to perform several types of governmental audits. It is our objective to provide each professional employee fifty hours or more of comprehensive continuing professional education each year. This is accomplished through attending seminars throughout Florida and is reinforced through in-house training.

Our firm has made a steadfast commitment to professional education. Our active attendance and participation in continuing professional education is a major part of our objective to obtain the most recent knowledge on issues which are of importance to our clients. We are growing on the reputation for work that our firm is providing today.

Quality Control Program

Quality control requires continuing commitment to professional excellence. **Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL** is formally dedicated to that commitment.

To ensure maintaining the standards of working excellence required by our firm, we joined the Private Companies Practice Section (PCPS) of the American Institute of Certified Public Accountants (AICPA). To be a participating member firm of this practice section, a firm must obtain an independent Peer Review of its quality control policies and procedures to ascertain the firm's compliance with existing auditing standards on the applicable engagements.

The scope of the Peer Review is comprehensive in that it specifically reviews the following quality control policies and procedures of the participating firm:

- Professional, economic, and administrative independence;
- Assignment of professional personnel to engagements;
- Consultation on technical matters;
- Supervision of engagement personnel;
- Hiring and employment of personnel;
- Professional development;
- Advancement;
- Acceptance and continuation of clients; and,
- Inspection and review system.

We believe that our commitment to the program is rewarding not only to our firm, but primarily to our clients.

The external independent Peer Review of the elements of our quality control policies and procedures performed by an independent certified public accountant, approved by the PCPS of the AICPA, provides you with the assurance that we continue to conform to standards of the profession in the conduct of our accounting and auditing practice.

GOVERNMENTAL AUDITING EXPERIENCE (CONTINUED)

Our firm is also a member of Governmental Audit Quality Center (GAQC), a voluntary membership center for CPA firms that perform governmental audits. This center promotes the quality of governmental audits.

Our firm has completed successive Peer Reviews. These reviews included a representative sample of our firm's local governmental auditing engagements. As a result of these reviews, our firm obtained an unqualified opinion on our quality control program and work procedures. On page 31 is a copy of our most recent Peer Review report. It should be noted that we received a pass rating.

Our firm has never had any disciplinary actions by state regulatory bodies or professional organizations.

As our firm performs approximately one hundred audits each year that are reviewed by federal, state or local entities, we are constantly dealing with questions from these entities about our audits. We are pleased to say that any questions that have been raised were minor issues and were easily resolved without re-issuing any reports.

Certificate of Achievement for Excellence in Financial Reporting (CAFR)

We are proud and honored to have been involved with the City of Fort Pierce and the Fort Pierce Utilities Authority when they received their first Certificates of Achievement for Excellence in Financial Reporting for the fiscal years ended September 30, 1988 and 1994, respectively. We were also instrumental in the City of Stuart receiving the award, in our first year of performing their audit, for the year ended September 30, 1999.

We also assisted St. Lucie County, Florida for the year ended September 30, 2003, in preparing their first Comprehensive Annual Financial Report, and St. Lucie County has received their Certificate of Achievement for Excellence in Financial Reporting every year since.

As continued commitment to insuring that we are providing the highest level of experience, we have had at least one employee of our firm serve on the GFOA – Special Review Committee since the mid-1980s. This committee is made up of selective Certified Public Accountants throughout the United States who have demonstrated their high level of knowledge and expertise in governmental accounting. Each committee member attends a special review meeting at the Annual GFOA Conference. At this meeting, the committee reports on the Certificate of Achievement Program's most recent results, future goals, and common reporting deficiencies.

We feel that our previous experience in assisting the City of Fort Pierce, the Fort Pierce Utilities Authority and St. Lucie County obtain their first CAFRs, and the City of Stuart in continuing to receive a CAFR and our firm's continued involvement with the GFOA, and the CAFR review committee make us a valued asset for any client in the field of governmental financial reporting.

FEE SCHEDULE

We propose the fee for our audit services described below to be \$3,265 for the years ended September 30, 2023, 2024, and 2025, and \$3,450 for the years ended September 30, 2026 and 2027. The fee is contingent upon the financial records and accounting systems of Lakeside Community Development District being "audit ready" and the financial activity for the District is not materially increased. If we discover that additional preparation work or subsidiary schedules are needed, we will consult with your authorized representative. We can assist with this additional work at our standard rates should you desire.

SCOPE OF WORK TO BE PERFORMED

If selected as the District's auditors, we will perform a financial and compliance audit in accordance with Section 11.45, Florida Statutes, in order to express an opinion on an annual basis on the financial statements of Lakeside Community Development District as of September 30, 2023, 2024, 2025, 2026, 2027. The audits will be performed to the extent necessary to express an opinion on the fairness in all material respects with which the financial statements present the financial position, results of operations and changes in financial position in conformity with generally accepted accounting principles and to determine whether, for selected transactions, operations are properly conducted in accordance with legal and regulatory requirements. Reportable conditions that are also material weaknesses shall be identified as such in the Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters. Other (non-reportable) conditions discovered during the course of the audit will be reported in a separate letter to management, which will be referred to in the Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters.

Our audit will be performed in accordance with standards for financial and compliance audits contained in *Government Auditing Standards*, as well as in compliance with rules and regulations of audits of special districts as set forth by the State Auditor General in Chapter 10.550, Local Governmental Entity Audits, and other relevant federal, state and county orders, statutes, ordinances, charter, resolutions, bond covenants, Administrative Code and procedures, or rules and regulations which may pertain to the work required in the engagement.

The primary purpose of our audit will be to express an opinion on the financial statements discussed above. It should be noted that such audits are subject to the inherent risk that errors or irregularities may not be detected. However, if conditions are discovered which lead to the belief that material errors, defalcations or other irregularities may exist or if other circumstances are encountered that require extended services, we will promptly notify the appropriate individual.

Report on the Firm's System of Quality Control

To the Partners of
Berger, Toombs, Elam, Gaines & Frank, CPAs, PL
and the Peer Review Committee of the Florida Institute of Certified Public Accountants

November 30, 2022

We have reviewed the system of quality control for the accounting and auditing practice of Berger, Toombs, Elam, Gaines & Frank, CPAs, PL (the firm), in effect for the year ended May 31, 2022. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control, and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including a compliance audit under the Single Audit Act.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Berger, Toombs, Elam, Gaines & Frank, CPAs, PL, in effect for the year ended May 31, 2022, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)*, or *fail*. Berger, Toombs, Elam, Gaines & Frank, CPAs, PLC, has received a peer review rating of *pass*.

**LAKESIDE COMMUNITY DEVELOPMENT DISTRICT
REQUEST FOR PROPOSALS**

District Auditing Services for Fiscal Years 2023, 2024, 2025, 2026 and 2027
Pasco County, Florida

INSTRUCTIONS TO PROPOSERS

SECTION 1. DUE DATE. Sealed proposals must be received no later than April 5, 2023, at 2:00 p.m., at the offices of District Manager, located at Rizzetta & Company, Inc., c/o Lynn Hayes, 3434 Colwell Avenue, Suite 200, Tampa, Florida 33614; Ph: (813) 994-1001. Proposals will be publicly opened at that time.

SECTION 2. FAMILIARITY WITH THE LAW. By submitting a proposal, the Proposer is assumed to be familiar with all federal, state, and local laws, ordinances, rules and regulations that in any manner affect the work. Ignorance on the part of the Proposer will in no way relieve it from responsibility to perform the work covered by the proposal in compliance with all such laws, ordinances and regulations.

SECTION 3. QUALIFICATIONS OF PROPOSER. The contract, if awarded, will only be awarded to a responsible Proposer who is qualified by experience and licensing to do the work specified herein. The Proposer shall submit with its proposal satisfactory evidence of experience in similar work and show that it is fully prepared to complete the work to the satisfaction of the District.

SECTION 4. SUBMISSION OF ONLY ONE PROPOSAL. Proposers shall be disqualified and their proposals rejected if the District has reason to believe that collusion may exist among the Proposers, the Proposer has defaulted on any previous contract or is in arrears on any previous or existing contract, or for failure to demonstrate proper licensure and business organization.

SECTION 5. SUBMISSION OF PROPOSAL. Submit one (1) copy and one (1) electronic copy on a flash drive of the Proposal Documents, and other requested attachments at the time and place indicated herein, which shall be enclosed in an opaque sealed envelope, marked with the title "Auditing Services – Lakeside Community Development District" on the face of it.

SECTION 6. MODIFICATION AND WITHDRAWAL. Proposals may be modified or withdrawn by an appropriate document duly executed and delivered to the place where proposals are to be submitted at any time prior to the time and date the proposals are due. No proposal may be withdrawn after opening for a period of ninety (90) days.

SECTION 7. PROPOSAL DOCUMENTS. The proposal documents shall consist of the notice announcing the request for proposals, these instructions, the Evaluation Criteria Sheet and a proposal with all required documentation pursuant to Section 12 of these instructions ("Proposal Documents").

SECTION 8. PROPOSAL. In making its proposal, each Proposer represents that it has read and understands the Proposal Documents and that the proposal is made in accordance therewith.

SECTION 9. BASIS OF AWARD/RIGHT TO REJECT. The District reserves the right to reject any and all proposals, make modifications to the work, and waive any informalities or irregularities in proposals as it is deemed in the best interests of the District.

SECTION 10. CONTRACT AWARD. Within fourteen (14) days of receipt of the Notice of Award from the District, the Proposer shall enter into and execute a Contract (engagement letter) with the District.

SECTION 11. LIMITATION OF LIABILITY. Nothing herein shall be construed as or constitute a waiver of the District's limited waiver of liability contained in Section 768.28, Florida Statutes, or any other statute or law.

SECTION 12. MISCELLANEOUS. All proposals shall include the following information in addition to any other requirements of the proposal documents.

- A. List the position or title of all personnel to perform work on the District audit. Include resumes for each person listed; list years of experience in present position for each party listed and years of related experience.
- B. Describe proposed staffing levels, including resumes with applicable certifications.
- C. Three references from projects of similar size and scope. The Proposer should include information relating to the work it conducted for each reference as well as a name, address and phone number of a contact person.
- D. The lump sum cost of the provision of the services under the proposal, plus the lump sum cost of four (4) annual renewals.

SECTION 13. PROTESTS. In accordance with the District's Rules of Procedure, any protest regarding the Proposal Documents, must be filed in writing, at the offices of the District Manager, within seventy-two (72) calendar hours (excluding Saturday, Sunday, and state holidays) after the receipt of the Proposal Documents. The formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days (including Saturday, Sunday, and state holidays) after the initial notice of protest was filed. Failure to timely file a notice of protest or failure to timely file a formal written protest shall constitute a waiver of any right to object or protest with respect to the aforesaid Proposal Documents.

SECTION 14. EVALUATION OF PROPOSALS. The criteria to be used in the evaluation of proposals are presented in the Evaluation Criteria Sheet, contained within the Proposal Documents.

**LAKESIDE COMMUNITY DEVELOPMENT DISTRICT
AUDITOR SELECTION
EVALUATION CRITERIA**

1. Ability of Personnel. (20 Points)

(E.g., geographic location of the firm's headquarters or permanent office in relation to the project; capabilities and experience of key personnel; present ability to manage this project; evaluation of existing work load; proposed staffing levels, etc.)

2. Proposer's Experience. (20 Points)

(E.g. past record and experience of the Proposer in similar projects; volume of work previously performed by the firm; past performance for other or current Community Development District(s) in other contracts; character, integrity, reputation of Proposer, etc.)

3. Understanding of Scope of Work. (20 Points)

Extent to which the proposal demonstrates an understanding of the District's needs for the services requested.

4. Ability to Furnish the Required Services. (20 Points)

Extent to which the proposal demonstrates the adequacy of Proposer's financial resources and stability as a business entity necessary to complete the services required.

5. Price. (20 Points)***

Points will be awarded based upon the lowest total proposal for rendering the services and the reasonableness of the proposal.

Total (100 Points)

***Alternatively, the Board may choose to evaluate firms without considering price, in which case the remaining categories would be assigned 25 points each.

2. Make sure the pine needles are not covering the plant material that was cutback from the frost damage.
3. Provide the district with a timeframe on how long the pine needle process will take place?
4. During my visit, a lot of the Saint Augustine was drought stressed bad we are currently only able to water once a week due to Pasco restriction on well water. This is an issue throughout pasco county right now on a lot of

5. With the lack of irrigation, we need to make sure what we do get is adequate and all the system us running. During my inspection I noted break on the outbound side of Lakemont drive where water was leaking heavy. (Pic 5)

6. Remove the potato vine in the center island on Lakemont drive across from the clubhouse.
7. Please provide an update to the board on the irrigation situation on Crest Lake Drive. There have been multiple reports of this area not running.(Pic 7)

8. Ensure that we are getting irrigation to the Viburnum Suspensum hedge on the northside of Higgins Lane at the Lakemont intersection.
9. During my inspection, the Magnolia Trees are dying in the crossover going from Lakemont to Sea Bridge Drive. These are on bubblers and are not on any kind of limitations by the county. We need better reporting and supervision on site condition to get these items before we get to this point. I am not sure these will survive this.(Pic 9)

10. During my inspection I noticed some of the Opopka street entrance oak trees were lifted however we have more that need to be done. Just want to make sure this are going to be done?(Pic 10)

11. The turf continues to decline near the fence on Newport Shores Drive is the irrigation working in this area? Diagnose and treat this was always an area that has done well.(Pic 11)

13. The oak trees next to the home at 13733 Newport Shores Drive I believe these were included in the count that was provided to Redtree.

Management Summary

Overall, the sites in this month's inspection are looking good. During the previous month's visit we brought a small boat to target Cattail stands out in the middle of the sites. Sites 7, 8, 10, 11, 12 have all responded nicely. Although they are currently an eyesore, they will eventually completely decompose naturally.

Water levels are lower than usual, but it's expected during this extreme drought. Seasonal rain should help fill some of these sites in the near future.

Site 13 was the only pond that had an abundance of overgrowth which required more immediate treatment. It has a substantial amount of submersed Bacopa. Bacopa is considered native and beneficial. However, it will require treatment this month to reduce the population by roughly 50%. The issue is further exacerbated by the extreme low water level, which causes the plant to top out on the surface. Expect roughly 4-6 weeks for results following treatment.

The perimeter algae on Cabbage Slough has cleared up nicely following previous treatment with the boat. Moving forward, our target for this site will be to reduce the amount of submersed vegetation currently present. Because of the large size of Cabbage Slough, we'll be applying treatments to one section at a time until the desired results are achieved. The conservation area within Cabbage Slough is also looking very good. At the moment, there is roughly 5% invasive intrusion consisting of a few small Cattail stands in the NE corner. With the extremely low water level, we'll be able to target these Cattails by wading in and spraying with a backpack sprayer.

Compliance Audit Overview

The Community Website Compliance Audit (CWCA) consists of a thorough assessment of Florida Community Development District (CDD) websites to assure that specified district information is available and fully accessible. Florida Statute Chapter 189.069 states that effective October, 2015, every CDD in the state is required to maintain a fully compliant website for reporting certain information and documents for public access.

The CWCA is a reporting system comprised of quarterly audits and an annual summary audit to meet full disclosure as required by Florida law. These audits are designed to assure that CDDs satisfy all compliance requirements stipulated in Chapter 189.069.

Compliance Criteria

The CWCA focuses on the two primary areas – website accessibility as defined by U.S. federal laws, and the 16-point criteria enumerated in [Florida Statute Chapter 189.069](#).

ADA Website Accessibility

Several federal statutes (American Disabilities Act, Sec. 504 and 508 of the Rehabilitation Act of 1973) require public institutions to ensure they are not discriminating against individuals on the basis of a person's disability. Community websites are required to conform to web content accessibility guidelines – [WCAG 2.1](#), which is the international standard established to keep websites barrier-free and the recognized standard for ADA-compliance.

Florida Statute Compliance

Pursuant to F.S. [189.069](#), every CDD is required to maintain a dedicated website to serve as an official reporting mechanism covering, at minimum, 16 criteria. The information required to report and have fully accessible spans: establishment charter or ordinance, fiscal year audit, budget, meeting agendas and minutes and more. For a complete list of statute requirements, see page 3.

Audit Process

The Community Website Compliance Audit covers all CDD web pages and linked PDFs.* Following the [WCAG 2.1](#) levels A, AA, and AAA for web content accessibility, a comprehensive scan encompassing 312 tests is conducted for every page. In addition, a human inspection is conducted to assure factors such as navigation and color contrasts meet web accessibility standards. See page 4 for complete accessibility grading criteria.

In addition to full ADA-compliance, the audit includes a 16-point checklist directly corresponding with the criteria set forth in Florida Statute Chapter 189.069. See page 5 for the complete compliance criteria checklist.

* **NOTE:** Because many CDD websites have links to PDFs that contain information required by law (meeting agendas, minutes, budgets, miscellaneous and ad hoc documents, etc.), audits include an examination of all associated PDFs. **PDF remediation** and ongoing auditing is critical to maintaining compliance.

Accessibility overview

Everyone deserves equal access.

With nearly 1-in-5 Americans having some sort of disability – visual, hearing, motor, cognitive – there are literally millions of reasons why websites should be fully accessible and compliant with all state and federal laws. Web accessibility not only keeps board members on the right side of the law, but enables the entire community to access all your web content. The very principles that drive accessible website design are also good for those without disabilities.

The legal and right thing to do

Several federal statutes (American Disabilities Act, Sec. 504 and 508 of the Rehabilitation Act of 1973) require public institutions to ensure they are not discriminating against individuals on the basis of a person's disability. Community websites are required to conform to web content accessibility guidelines, WCAG 2.1, the international standard established to keep websites barrier-free. Plain and simple, any content on your website must be accessible to everyone.

ADA Compliance Categories

Most of the problems that occur on a website fall in one or several of the following categories.

Contrast and colors

Some people have vision disabilities that hinder picking up contrasts, and some are color blind, so there needs to be a distinguishable contrast between text and background colors. This goes for buttons, links, text on images – everything. Consideration to contrast and color choice is also important for extreme lighting conditions.

Using semantics to format your HTML pages

When web page codes are clearly described in easy-to-understand terms, it enables broader sharing across all browsers and apps. This ‘friendlier’ language not only helps all the users, but developers who are striving to make content more universal on more devices.

Text alternatives for non-text content

Written replacements for images, audio and video should provide all the same descriptors that the non-text content conveys. Besides helping with searching, clear, concise word choice can make vivid non-text content for the disabled.

Ability to navigate with the keyboard

Not everyone can use a mouse. Blind people with many with motor disabilities have to use a keyboard to make their way around a website. Users need to be able to interact fully with your website by navigating using the tab, arrows and return keys only. A “skip navigation” option is also required. Consider using [WAI-ARIA](#) for improved accessibility, and properly highlight the links as you use the tab key to make sections.

Easy to navigate and find information

Finding relevant content via search and easy navigation is a universal need. Alt text, heading structure, page titles, descriptive link text (no ‘click here’ please) are just some ways to help everyone find what they’re searching for. You must also provide multiple ways to navigate such as a search and a site map.

Helpful article: <http://webaim.org/techniques/sitetools/>

Properly formatting tables

Tables are hard for screen readers to decipher. Users need to be able to navigate through a table one cell at a time. In addition to the table itself needing a caption, row and column headers need to be labeled and data correctly associated with the right header.

Helpful article: <http://webaim.org/techniques/tables/data>

Making PDFs accessible

PDF files must be tagged properly to be accessible, and unfortunately many are not. Images and other non-text elements within that PDF also need to be ADA-compliant. Creating anew is one thing; converting old PDFs – called PDF remediation – takes time.

Helpful articles: <http://webaim.org/techniques/acrobat/acrobat>

Making videos accessible

Simply adding a transcript isn't enough. Videos require closed captioning and detailed descriptions (e.g., who's on-screen, where they are, what they're doing, even facial expressions) to be fully accessible and ADA compliant.

Helpful article: <http://webaim.org/techniques/captions>

Making forms accessible

Forms are common tools for gathering info and interacting. From logging in to registration, they can be challenging if not designed to be web-accessible. How it's laid out, use of labels, size of clickable areas and other aspects need to be considered.

Helpful article: <http://webaim.org/techniques/forms>

Alternate versions

Attempts to be fully accessible sometimes fall short, and in those cases, alternate versions of key pages must be created. That is, it is sometimes not feasible (legally, technically) to modify some content. These are the 'exceptions', but still must be accommodated.

Feedback for users

To be fully interactive, your site needs to be able to provide an easy way for users to submit feedback on any website issues. Clarity is key for both any confirmation or error feedback that occurs while engaging the page.

Other related requirements

No flashing

Blinking and flashing are not only bothersome, but can be disorienting and even dangerous for many users. Seizures can even be triggered by flashing, so avoid using any flashing or flickering content.

Timers

Timed connections can create difficulties for the disabled. They may not even know a timer is in effect, it may create stress. In some cases (e.g., purchasing items), a timer is required, but for most school content, avoid using them.

Fly-out menus

Menus that fly out or down when an item is clicked are helpful to dig deeper into the site's content, but they need to be available via keyboard navigation, and not immediately snap back when those using a mouse move from the clickable area.

No pop-ups

Pop-up windows present a range of obstacles for many disabled users, so it's best to avoid using them altogether. If you must, be sure to alert the user that a pop-up is about to be launched.

FIFTH ORDER OF BUSINESS

Staff Reports

**A. Presentation of the Landscape Inspection Service Report and RedTree
Landscaper Comments**

Mr. Burkett stated the Crap Myrtle trim is 95% completed there are a few small ones they will get in the next visit. The Oaks project is complete. The annuals are going in middle to late next week. He observed that there is not enough irrigation. He is suggesting getting a watering variance.

On a Motion by Ms. Ramlot and seconded by Mr. Dexter, with all in favor, the Board of Supervisors authorized Mr. Liggett to get and complete AFWFMD & Pasco County Application for the water variance, for the Lakeside Community Development District.

B. Consideration of the RedTree Community Pine Straw Quote

Mr. Burkett presented the estimate for pine straw and renovation project, totaling \$10,440.00. Once the agreement form is signed the Board would like to know when the project will be completed.

On a Motion by Mr. Koch and seconded by Mr. Hale, with all in favor, the Board of Supervisors approved the RedTree Pinestraw proposal for \$10,440 after Ms. Wilson prepares the final form agreement and authorize Mr. Koch to execute the agreement, for the Lakeside Community Development District.

C. Presentation of Solitude Waterway Inspection and Service Reports

Mr. Wilt presented his report to the Board. He will provide a proposal for the aquatic plant replacement for May 2023 after he prioritizes the storm water pond needs.

D. District Counsel

Ms. Willson reviewed the Inland Homes/ William Ryan Homes update. She met with Mr. Fleeman on site. Both companies deny responsibility for the area of dead and/ or missing sod. Ms. Manning with Landeavor has stated they are only authorized to re-seed. Mr. Fleeman stated this was not discussed during his on-site meeting. The Board has agreed not to pursue the builder anymore, on this matter. A request will be made to RedTree to prepare a proposal to re-seed the area and a proposal to re-sod the area for May or June time.

The Academy of Model Aeronautics Club Proposal was tabled until further notice. They will need to provide information for the BOS to consider.

The Lyons Property Sidewalk Maintenance Responsibility is believed to be the homeowner's responsibility. The members of the HOA team will confirm with the HOA District Counsel.

E. District Engineer

The District Sidewalk Maintenance Quotes were not received and was tabled until the April 26, 2023 meeting.

The Traffic Calming/ Speed Cushions and Exiting Speed Hump Modifications Quote was not received and was tabled until the April 26, 2023 meeting.

The District Roadway Pothole Repairs Quote was not received and was tabled until the April 26, 2023 meeting.

Mr. Koch presented his findings on the estimates on roadway repaving Phase 1. It is estimated at 1.3 million right now and in six years the estimate would be about 2.2 million. The reserve budget would almost need to double. Mr. Koch will research more into the funds for the 2023/2024 fiscal year.

F. District Manager Report

Mr. Hayes reviewed the email received from Pasco County and their intentions for the community roadways, in reference to the manhole covers. They also plan to do a CCTV inspection to gather more information on the conditions in the stormwater pipes.

Mr. Hayes reminded the Board of Supervisors the next regular meeting is scheduled for Wednesday, April 26, 2023 at 10:00 a.m. at the offices of Rizzetta & Company located at 5844 Old Pasco Road, Suite 100, Wesley Chapel, Florida 33544.

SIXTH ORDER OF BUSINESS

Presentation of Lakeside Coast Share Agreement for Maintenance Services

The Board discussed this agreement with regards to Holiday lights and if the CDD or HOA should buy the lights, who should put them up, and where they should be stored. The Board questioned whether a vendor be hired to handle the lights or if this should be handled by maintenance and stored in the clubhouse attic. Mr. Hale will check on the HOA storage space and report back to the CDD Board.

This discussion was tabled until the May 24, 2023 meeting.

SEVENTH ORDER OF BUSINESS

Supervisor Requests

Mr. Hale has received several complaints about the meetings not being on site and in the evenings. The Board agreed there are meetings on site and in the evenings.

Ms. Ramlot questioned if there is any information on the benches. Mr. Hayes stated that final forms and agreements have not been received. He will follow up to see if all parties have signed the agreements.

EIGHTH ORDER OF BUSINESS Adjournment

Mr. Hayes stated that if there was no more business to come before the Board of Supervisors then a motion to adjourn would be in order.

On a Motion by Ms. Ramlot and seconded by Mr. Hale, with all in favor, the Board of Supervisors adjourned the meeting at 11:36 a.m. for the Lakeside Community Development District.
